Drawers Blum in matt gray orione varnished metal, full extension with integrated Blumotion, 16 mm thick bottom in melamine with fabric effect, gray orione colour.

Tiroirs Blum en métal verni gris orione mat, sortie totale avec amortisseur Blumotion, fond avec panneau de particules mélaminé imitation tissu ép.16 mm, coloris gris orione.

CERNIERE BLUM

CLIP top BLUMOTION riunisce una tecnica innovativa, un design premiato a livello internazionale e il comfort del movimento in pochissimo spazio: infatti il meccanismo di ammortizzazione BLUMOTION è già integrato nel fondello. L'ammortizzatore BLUMOTION adatta il dinamismo dell'anta durante la chiusura, tenendo conto del carico dovuto al peso del frontale e della spinta esercitata in chiusura.

BLUMOTION CLIP top brings together innovative technology, an international award-winning design, and the convenience of moving in very little space: in fact the BLUMOTION cushioning mechanism is already built into the back panel. The BLUMOTION shock absorber adjusts the energy of the door as it closes, taking into account the load due to the weight of the front panel and the thrust applied during closure.

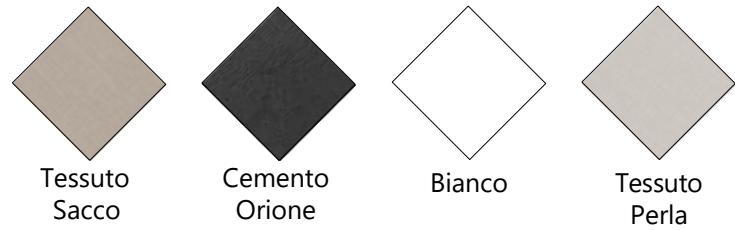

CLIP top BLUMOTION réunit une technique innovante, un design récompensé au niveau international et le confort du mouvement en très peu d'espace: en effet, le mécanisme d'amortissement BLUMOTION est déjà intégré dans l'embout. L'amortisseur BLUMOTION adapte le dynamisme de la porte pendant la fermeture, en tenant compte de la charge due au poids de la façade et de la poussée exercée lors de la fermeture.

FUSTO

Carcass / Caisson

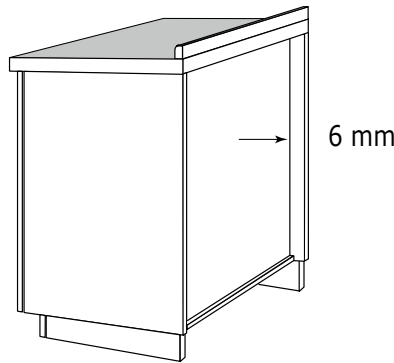

Fusto nobilitato in 4 colori (schiena bianca)
Melamine carcass in 4 colours (white back panel)
Caisson en mélaminé en 4 coloris (dos blanc)
